

Paid Internships at the Smithsonian!

And one CWU undergraduate or graduate student from Biology, Geology, ENST, Chemistry, or Physics will get one.

10 weeks working at the National Air and Space Museum, National Museum of Natural History, National Zoo, Smithsonian Astrophysical Observatory, Smithsonian Environmental Research Center, Smithsonian Gardens, or the Smithsonian Tropical Research Institute.

If you are also interested in, generally speaking, science education/communication, there are many more options.

Application deadline is 15 February

For more information, visit <https://rockstreesmaps.com> and look for information about the Manastash Internship
